**Grade Point Average; Pass/Fail**

A grade point average of 2.0 or above in music courses is required for certification of completion. No pass/fail options are allowed in the Applied Music minor program.

**Retention, Probation and Dismissal**

Music minors are expected to progress in Applied Studies in the same manner as music majors not majoring in performance. Their progress is monitored by yearly area juries. An area jury may place a student on probation for one semester. If, after a semester of probation, a student fails to meet reasonable expectations, he or she can be dismissed from the Music Minor in Applied Studies.
