The Vocal Jazz Ensemble will be REMOTE this semester.  
Provision has been made for on campus sectional on Fridays for  
those who would like to attend (not mandatory)

ALL auditions will be via ZOOM

**Mondays and Wednesday 10.10 a.m. - 12.05 p.m.**

**Fridays: 10.10 - 11.05 a.m.**

Meetings within the above times will be finalized once ensemble  
participants are selected

This will obviously be a different experience than other semesters  
We will view ensembles (in ZOOM class) and discuss rehearsal  
techniques and various stylistic approaches. We will rehearse a  
repertoire and the performance will be as a “virtual choir”.

To help with individual practice you will be given access to practice  
mp3s and you will receive more individual feedback on your part  
than when in a typical in-person group setting.

The audition includes:-

1. Performance of **one** song of your choice (this will most likely be a cappella)
2. **Singing prepared sheet.**
3. Sight reading jazz rhythms
